# OTTAGONO

## RIFLESSI DI PURA PERFEZIONE

## REFLECTIONS OF PURE PERFECTION

---

Nella collezione Ottagono, le otto sfaccettature e la continuità di geometria ottagonale tra il corpo e la maniglia senza impugnatura donano un rigore estetico impareggiabile, come nei gioielli, di riflessi e prospettive.

*In the Ottagono collection, the eight facets and the continuous octagonal geometry between the body and the handle without grip create a refined aesthetic, enhanced, like jewellery, by reflections and perspectives.*
